THE HISTORY OF BEACH VOLLEYBALL CAMPS ... SINJIN SMITH!

Beach Volleyball Camps was created by legendary beach volleyball players Sinjin Smith and Randy Stoklos to give young players of all ability levels the opportunity to learn and play the sport in a fun and safe environment. Camps are offered at the finest beaches close to just about every Southern California beach town. Campers focus on learning proper techniques and fundamentals of the game, as crafted by Sinjin Smith, who to this day remains an integral part of the program. Sinjin personally trains all Camp coaches and appears frequently at camps across Southern California. Camps are open to boys and girls, with campers divided into groups by age and skill level.

Crescent Beach VBC and Beach Volleyball Camps are proud affiliates of the Los Angeles Volleyball Academy (LAVA), one of the largest and most respected youth and junior indoor club volleyball organizations in the country. Visit LAVA online at lavacademy.com or lava-girls.com.
